## BEMC LOBBIES ARE CLOSING TO WALK-IN TRAFFIC

We continue to monitor the evolving situation of COVID-19 and are taking proactive measures to impede the spread of the virus. All three district offices will be closed to walk-in traffic effective Monday, December 21st until further notice. We've taken prudent measures to protect the health of our employees, so that you can continue to count on the delivery of reliable electricity and the quality service you expect.

No matter the challenges brought to our area by COVID-19, BEMC's leadership and employees want to assure you that our commitment to provide you with safe and reliable electricity remains the same. We understand that you rely on us to power your lives as we navigate the impact of COVID-19 together, and we'll continue to put our experience to work to ensure uninterrupted operations.

Payments can be made at drive-through locations, via the SmartHub app, by calling our automated payment line at (866) 934-6830, or at any of our eleven Bill Payment Terminals (BPTs). A list of BPTs and their addresses can be found at [bemc.org/billing-payments](http://bemc.org/billing-payments).

Stay informed by following us on Facebook, check our website for updates, and call (800) 842-5871 on weekdays from 8 a.m. to 5 p.m. with any questions. If you have friends or neighbors who aren't receiving these updates, they can call a member service representative to update the email address associated with their account.

BEMC employees are members of this community we will get through this unprecedented time, together. Our thoughts are with each one of you; stay safe, stay well, and stay strong.
