Gifts will be available to the first 2,000 members who register, and each member registered will be entered into a random drawing for cash prizes, with winners being announced during the virtual meeting. Members do not need to attend the meeting to win.

“We look forward to socializing with our members each year, making this a difficult decision,” said Josh Winslow, BEMC CEO. “Ultimately, our commitment is to the health and safety of both employees and members. We have lots of exciting and important information to share, so we look forward to members joining us online on the 26th.”
