## Member Owned Meter Equipment Update

Brunswick Electric Membership Corporation (BEMC) strives to maintain a high standard of service to all members. The following are requirements for electric service and meter installations as of May 16, 2022.

BEMC will accept the following self-contained meter base services for members **with the member supplying the equipment**:

- 200A single phase
- 200A three phase
- 320A single phase
- 320A three phase

All CT-rated 600 amp and above single phase and three phase installations will be approved by BEMC Engineering. The CT cabinets will be approved, provided and delivered by BEMC Engineering personnel to the member requesting service.

Any questions or concerns can be directed to BEMC Engineering.
